Dear Harold-

I am sorry I never did get to Washington before I had to come here to Minnesota.

Perhaps the day will come when my schedule is followed as I outline it.

At any rate, Percy did not get the telephone numbers from Jas. Earl Ray. He got them, he said, "from an associate in New Orleans," who I presume was Charlie - (or maybe Marie?) Stein.

He did not return my call to him. I believe he thought I wanted to ask him about his arrest.

Percy was nabbed by the cops for drunk driving and for driving w/o a license.

He said, as if it were a mitigating circumstance or even a complete defense: "I've never had a Texas driver's license."

But as regards the Telephone numbers, he ~~said~~ said, according to a local story, that Ray did not give them to him.

Now you does not show a great deal of enthusiasm for the prospect of me "wasting" a month or so on Ray again, but I am going to spend some time on it when

I get away from this trial.
The judge said the trial may take 4 ~~months~~ months, but if it does, it'll have to go along w/o me.
Hoping to see you soon and wishing you a happy and healthy 1974, I remain
Very truly yours—
Martin Waldron
